Key of E

Verse 1:

Like a fire shut up in my bones
Releasing every tone You've giving me to sing out
Tongues of fire burning on my head
With faith to raise the dead You're giving me to live out

Pre-Chorus:

Fire of the Holy Ghost come down
Fire of the Holy Ghost come down
Fire of the Holy Ghost come down

Chorus:

We need the fire of the holy ghost
Fire of the Holy Ghost
Burning anything and everything that keeps us from love

Verse 2:

Like a shadow touching all the lame
The power in Your name You've given me to speak out
Just lightning casting out the dark
And healing every part You've chosen me to pour out
