VERSE 1

C#m
Lord, I come before You now

With anointing on my brow

I will lift my hands

By the blood and Jesus' name

I am overcome

They see a new thing
C#m
You're Holy

VERSE 2

C#m
Now Your presence fills this place

I'm undone by Jesus' face
A B
You are healing now

C#m
There's no sin that stands a chance
B
That You won't crush with just one glance
A B
Come and set us free

VERSE 3

Now, I cannot lift this weight

When Your glory is so great
A B
I'm not moving

The fear of God we now revere
A B
Oh, Yahweh
