

# Stand on Guard

Nikki Mathis

Key of C  
139 BPM

Intro:

C F G

**Verse 1:**

                  Dm                          Am  
There were hungry men who gathered

                  F          G          C  
Cause they heard about a fare

                  Dm                          Am  
To see Jehovah move among them

                  F          G          C  
It was fasting, it was prayer

                  Dm                          Am  
What they found was unexpected

                  F          G          C  
A pouring out thats undefined

                  Dm                          Am  
Legacy was in the making

                  F          G          C  
A way was paved for us to find

**Chorus:**

                  F                          G          Am  
We are standing at the Battle Line

                  G/B          C  
This is our anthem

                  G  
This is our cry

                  Am  
To see Revival

                  G/B          C  
The nations free

                  F                          G          C  
O Canada we stand on guard for thee

**Verse 2:**

                  Dm                  Am  
So we are meeting at the battle  
                  F                  G                  C  
The same ground where You poured out  
                  Dm                  Am  
You are doing something greater  
                  F                  G                  C  
It is coming, it is now

                  Dm                  Am  
Here we are in the Northlands  
                  F                  G                  C  
With our eyes set on Your gaze  
                  Dm                  Am  
Canada will see revival  
                  F                  G                  C  
And it's flowing from this place

**Verse 3:**

                  Dm                  Am  
So the seeds that have been planted  
                  F                  G                  C  
In the soil of this land  
                  Dm                  Am  
Every child that is living  
                  F                  G                  C  
You will walk with hand in hand

                  Dm                  Am  
Every color every nation  
                  F                  G                  C  
Every tribe and every tongue  
                  Dm                  Am  
They will bow their knees before You  
                  F                  G                  C  
As Your daughters and Your sons

**Bridge:**

Am  
Ruler Supreme  
F  
O Hear our Prayer  
C  
Hold our dominion  
G  
In Your Care

Am  
And Let us Be  
F  
Oh God in thee  
C  
A rich reward  
G  
For the nations to see
